

Aswaanth Karuppasamy

Dallas, TX · aswaanth.k@utdallas.edu · (469) 555-0142 · aswaanthk.design

Computer Science student with a design-engineering hybrid background — prototypes fast in Figma, then builds the real thing when a team needs someone who can do both.

EDUCATION

University of Texas at Dallas

Aug 2023 – May 2027

B.S. Computer Science, Human-Computer Interaction minor

GPA 3.82 · Dean's List, 4 semesters

EXPERIENCE

Product Design Intern

Jun 2026 – Aug 2026

Campus Startup Studio

- Redesigned the onboarding flow for a student marketplace app, raising signup completion from 61% to 78%
- Ran 12 usability sessions and turned findings into a component library adopted by two other teams
- Prototyped a redesigned checkout flow in Figma and handed off specs directly to engineering

UX Design Lead

Sep 2025 – Present

UT Dallas Design Club

- Lead a team of 5 student designers through weekly critique and a semester-long client project
- Built the club's first design system, cutting new-member ramp-up time roughly in half

SKILLS

Figma · User Research · Prototyping · Design Systems · HTML/CSS · Usability Testing
